VIEWER 079 16 Oct 87 1020 - 1115 120201/217054

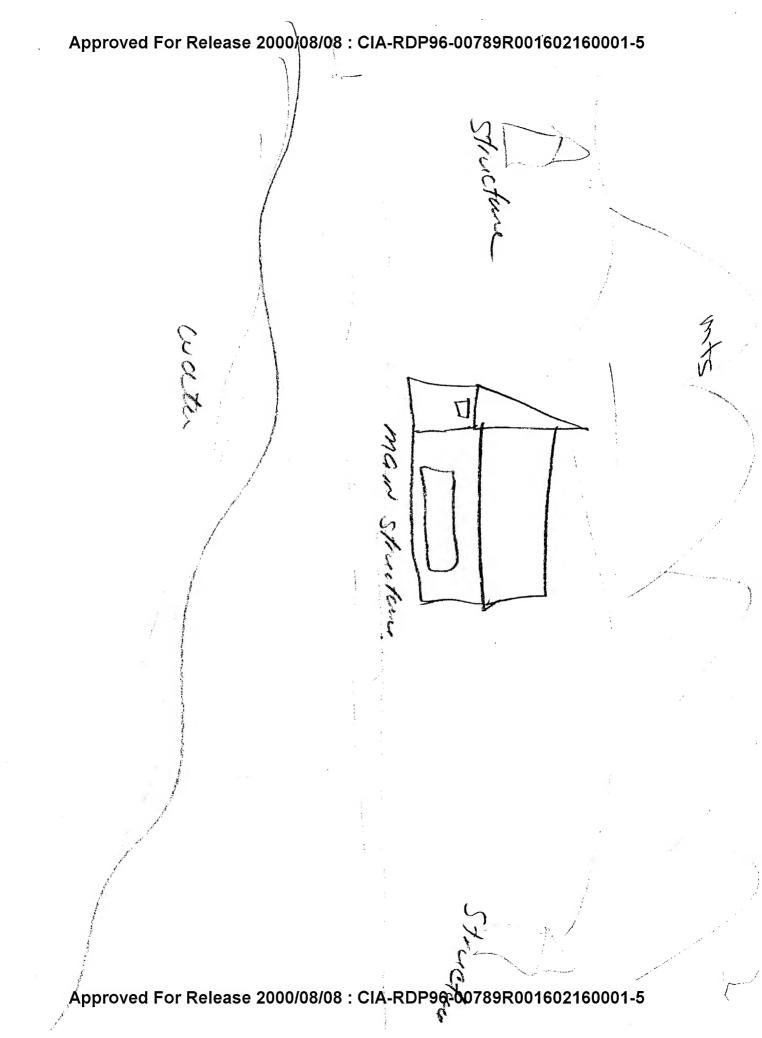

79 - I'm in sanctuary.

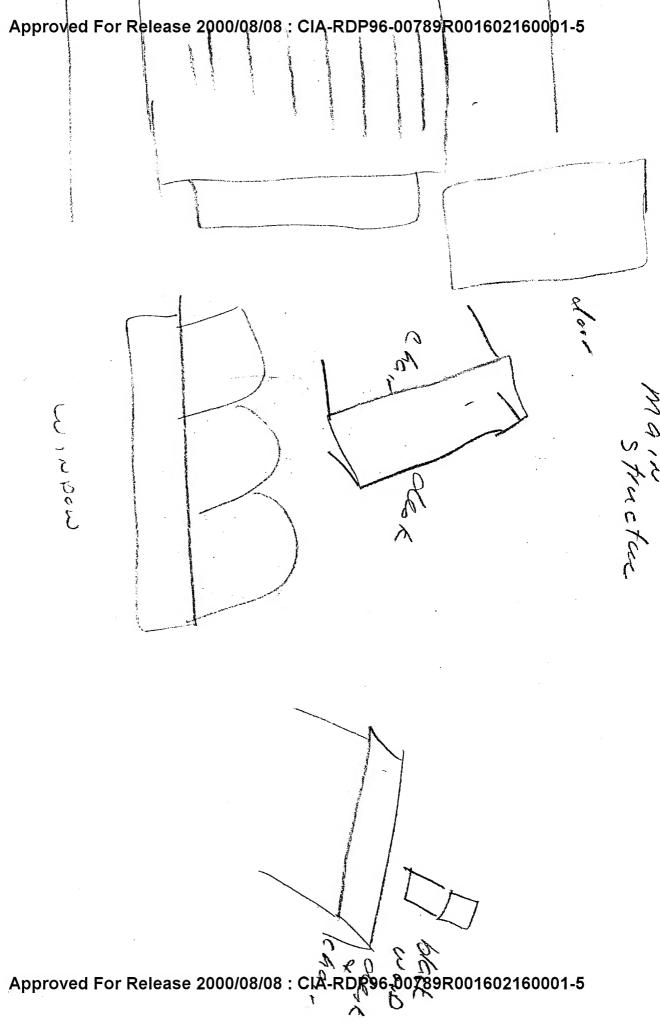

- G Your body is relaxed your mind is alert maintain your state of relaxation Remain in sanctuary I will return in five minutes.
- G We will leave sanctuary when I read you the coordinates, you will access and describe the target. I will read those now-120201/217054.
- 79 Looking back far back looking at object sits by itself round portion in it operates by itself rounded pointed sides maneuvering motion darkness break motion feeling of glazing projection shoot out light light in water.
- G Water! Go to the water face the land from the water and describe your perceptions.
- 79 Hills mountains housing/structures -clean air new structures near water.
- G Describe the biggest structure that you perceive.
- 79 Pointed flat tall, with other portions, lower lies "A"-shaped. Large windows very clean large squares as big as side of near the windows built into the side curve/angular/flat light!
- G Describe the light.
- 79 white with little blue good feeling light warmth growth green growing
- G Access room from window and describe.
- 79 Comfortable spacious, big used clean furniture people sitting in furniture big couch clean men meet no tension here walls ar very high here on a wall built into it Reading material "FIRE"
- G built in!
- 79 layer flat rough man reaches up placed shells or bricks different color.
- G- Look towards the front, towards the big window at floor level. 79 hard, barely covered furniture not set in perfect order table chair facing a lot of "men" quiet men, men from country men think Visionary.
- 6 How dressed!
- 79 funny (blown out) feathers pens white curly curls on head older men looks difference more sporting / with hat.
- OUT OF TIME there are TWO TIME FRAMES!
- G Select one of the two time frames describe.
- 79 Putting books away teacher land , live on land try new people a new beginning start over, hard times people take chances
- G Dressed!
- 79 Funny hat heavy clothing talks about ancestors Opening of a new age opening of "the West."
- G- Return to present time Describe an overhead panoramic view of the target!
- 79 Outside land, mountains, lush landscape Water up front

Approved For Release 2000/08/08: CIA-RDP96-00789R001602160001-5

G - Taste the water
79 - Clear -fresh, not salty - should taste salty.
G- Maintain your position (at the water) go ahead ten hours in time, describe!
79 - Walking in this land - pathways to different structure - balloon - more activity - people brought in here but do not live here - look, enjoy.
79 - Part of ship - couldn't see before.
G-Return to present time - Do that now!
79 - ok
G- You may spend the next five minutes reporting on the target on issues of interest or you may go top sanctuary - I will return for you in five minutes!@
G-When I count down to "1" (from 5) you will feel relaxed, refreshed, and alert. I will count back - now ...1
